Dear Graeme:

Please allow me, on behalf of the entire organization, to express our appreciation for your recent contribution of \$6,000 to Habitat for Humanity of Greater Miami. The contributions of the proceeds of your annual tournament have been of great importance to our community and your work for Habitat this past year is critical to our success here.

We thank you and everyone associated with Hockey for the Homeless - players, referees and, especially, your major sponsors. Cellular One, Canstar, Miami Arena and the Miami Sports and Exhibition Authority are to be congratulated for their charitable participation with Hockey for the Homeless.

Habitat for Humanity is currently constructing nearly 100 homes in Dade County, homes which will provide decent housing for needy families. We will do our best to put this money to the best possible use and to merit the faith you and your Board of Directors have placed in us through your donation.

Thank you for allowing Habitat to be the beneficiary of your hard work this year. You know that I will personally do everything possible to help your tournament continue to provide housing opportunities to those in need.

Sincerely,
