Dear *GRAEME*;

The Ottawa Senators Hockey Club and the Sens Foundation would like to thank you for providing excellent guidance with our "Rink of Dreams" project. You and your team were a pleasure to work with throughout the process.

The Rink of Dreams opened on January 25, 2012 on the grounds of Ottawa City Hall in downtown Ottawa. For the 2012/13 season, the Rink of Dreams was open for 122 days and was used by more than 59,000 skaters. This 12,500 square foot oval has become a focal point for outdoor recreation for all families in Ottawa and for tourists coming to our beautiful city. They Mayor has indicated it is a perfect example of "city-building" through partnerships with the private sector.

On behalf of the Ottawa Senators Hockey Club and the Sens Foundation board we thank you once again for your generosity and expertise in helping make this project a reality.

We are further encouraged by the fact that the Rink of Dreams has been busy since its opening, and we are excited by the tremendous enthusiasm for the project shown by residents and community groups in Ottawa. We hope we will have an opportunity to work with you and Arena Design Services on projects in the future.

Sincerely,

Cyril M. Leeder, FCPA, FCA  
President

*Thank you Graeme.
